Residential Adviser Opportunities - We want people like... YOU !!

Are you studying here as a postgraduate, returning undergraduate or mature student? If so, you could be one of the people we need for our student advisory team this year. You would be living on-site at one of our residences and would be on-call overnight (on a rota basis) to help students with any emergency.

This could be anything from lost keys or illness to wellbeing, or personal issues, so you will need to be adaptable and calm in potentially stressful and emotional situations. We will provide you with the necessary training and you will have 24/7 back-up from our professional student support teams.
