

RETURN TO LEARN DAY

WEDNESDAY 9TH APRIL

Following the success of last year's event, we will once again be opening the doors to the public to allow them to sample what it's like studying at the University. The event is being hosted by Go Higher, the University of Liverpool's unique access diploma, designed for adult learners as a fast-track entry route into undergraduate study.

The Return to Learn Day is aimed at adults who have been out of education, and for anyone who may be considering returning to study as a mature student. The Return to Learn Day promises to offer an entertaining and educational insight into areas of the University not often seen.

Refreshments and lunch will be provided.
